AS-950 MID TO HIGH-VOLUME ADDRESSING SOLUTION

Versatile & professional stand alone printer for your mailings

WE VALUE YOUR MAIL 

AS-950

ENVELOPE PRINTER

HIGHLY EFFICIENT ENVELOPE PERSONALISATION

Ideal for a production mail environment. Fast and very easy to use. Even complex jobs or messages are easy to set up and amend.

PRODUCTIVITY

- Overprint up to 30,000 envelopes per hour - no need to apply labels
- One-touch controls and clear, concise prompts on the LCD display
- Optional stacker and additional drop tray speed up larger mail runs
- Five Fixed Print Heads print at constant speed whatever the content and can even print on thicker documents such as magazines or newsletters. Secured paper path and low jam rates ensure better output

COST SAVINGS

- Print on demand - no need to hold stocks of overprinted envelopes
- Correctly formatted addresses help qualify for Royal Mail volume discounts (Business Mail 1 and 2)

PROCESS MANAGEMENT

- Manage direct marketing and customer communications in-house
- Protect your customer information by keeping in-house
- The duplicate and inaccurate addressing detection reduces wasted mailings
- Integrates easily with other Neopost mailing solutions

EFFECTIVE COMMUNICATIONS

- Personalised mailings improve deliverability and are more likely to be opened
- Print marketing messages on envelopes, even in colour
- Highly professional image from inkjet printing
- Versatile address, graphics and barcode printing for quick changes to messages or layout
