True 4K resolution and sharper user experience throughout

NEW

Clever Account Profile with NFC

With an NFC sensor built into the bezel, just tap your NFC card on the bottom of the screen to instantly log in to your profile.

NEW

High Precision Technology

Our patented Super Glide Touch technology offers the most fluid writing experience on a touchscreen. It's as smooth as writing on a whiteboard – with no lag. With the ability to differentiate between palm-erase, fingertouch, and stylus-writing, there's no need to change settings mid-flow.

New super cool stylus

Comfort stylus to aid teaching

NEW

Comprehensive Warranty

No ongoing subscriptions charges.

Security Matters

We know how important it is to be secure, so we've got lots of options for you to keep control of your device. Clevertouch can run on-or-off the network. Settings, apps and Android can all be disabled. Data can be wiped at the end of a session and the screen can be locked with a secure passcode.

Infinity Whiteboarding

Never run out of space with our infinite canvas. With numeracy tools, handwriting-to-text recognition, and the ability to insert images and shapes, all of which can be saved, printed, or shared to student devices.

Cloud Accounts

Sync with your Cloud accounts so that you can work anywhere at any time.

NEW

Connectivity

Huge connectivity including two of the latest USB-C ports. Allows single cable connection for audio, video and touch. One USB-C gives the ability to charge your device while also casting to the main display.

Environmentally Friendly Motion Detection

Equipped with Proximity Sensors your Clevertouch will power off when no one is detected in the room.

NEW

Quick Launch Menu for instant teaching tools

Your most commonly used apps are available with one touch and are easily accessible via the Quick Launch Menu.

Annotation tools can be accessed at any time, keeping lesson flow smooth and simple, ensuring increased student engagement.

The Clevershare App is free to download and compatible with Android, Windows, iOS and Chrome devices. Up to 50 devices can connect with the Clevertouch screen and share content – images, video, and audio. The presenter has full control over what is shared, and can show up to 4 device screens simultaneously, increasing student collaboration and participation within every lesson. Now includes touch-back.

Make notes, diagrams or images, add and scroll through multiple pages, insert an image or change the background colour. Now includes handwriting and formula recognition.

Double click on files to open them, as well as easily copy, cut and paste, so it's just like using a PC. Personal Cloud Storage integration.

Explore the internet without needing a computer, using the IMPACT™, Chrome and Chromium browsers.

Cleverstore contains hundreds of apps in all subjects and a range of languages, including literacy, STEAM and languages. Each app is tested by our team, to make sure no adverts, in app purchases, or inappropriate content gets through. We've partnered with the most popular educational app developers to give you apps that you can really make use of in the classroom.

Easily go back to recently used apps using the Active button with split screen mode.

Protect your Clevertouch with a password by using Lock.

All of the integrated apps and the apps you've downloaded from the Cleverstore can be found here.

All your favourite apps in one place, including Settings.

Floating annotation tool - Annotation, voting, spotlight, handwriting, timer, stopwatch, snipping and zoom tools.

All included in panel pricing, and no on-going costs
